VALOR is designed to be a comprehensive effort that will include classroom and web-based training, research, and resources for sworn state, local, and tribal law enforcement officers.

This project was supported by Grant Number 2010-DB-BX-K163 awarded by the Bureau of Justice Assistance, Office of Justice Programs. The opinions, findings, and conclusions or recommendations expressed in this publication are those of the author(s) and do not necessarily reflect the views of the U.S. Department of Justice.

As part of the U.S. Attorney General's Officer Safety Initiative, VALOR was created to respond to the startling increase in felonious assaults that have taken the lives of many law enforcement officers. This poster is part of an innovative partnership between VALOR and the NLEOMF to promote law enforcement officer safety.
